## CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D.C. 20505

OFFICE OF THE DIRECTOR

SAVA 73-33

8 March 1973

MEMORANDUM FOR: Dr. Henry A. Kissinger  
Assistant to the President for  
National Security Affairs

SUBJECT : Response to 6 March WSAG Request

1. Attached is our response to your request levied at the WSAG meeting of 6 March for a study of the types and volume of military equipment and supplies being provided to North Vietnam from China, the Soviet Union and other sources.

2. China and the Soviet Union are North Vietnam's primary sources of military supplies and in comparison to them, other sources (e.g., Eastern European Bloc countries) are negligible. With respect to China and the USSR, our pool of current hard evidence -- as the memorandum explains --

Nonetheless, we have developed an analysis of probable current trends which has validity and does shed some light on the questions you raised.

3. We are distributing copies of this memorandum only to the WSAG principals, the Secretaries of State and Defense and the Directors of DIA and INR.
